General Secretary, AIGETOA

Subject: Winning of MV-2 by our sister association 'AIGETOA' – Reg.

Dear Elder Brother;

Greetings!!

I, on behalf of AITEEA, take the privilege to extend my heartfelt congratulations and best compliments to you along with all CHQ, Circle and District Office bearers, members of AIGETOA for their outstanding performance in this second Executive membership verification wherein AIGETOA has attained the status of first recognized majority association of BSNL.

This mandate is a great success as an association, at the same time, it has assigned you big responsibility and accountability towards the Executive fraternity for the settlement of all HR issues pending for the last 10 to 15 years. This is high time to keep the promises which your association has made in the MV process to garner support from Executive fraternity especially from post 2007 Executives.

As conspicuous the E1A recruited Executives are facing pay loss due to anomaly in their pay fixation from their date of joining and they have sustained a cumulative loss of approx. 14 to 15 lakhs till date [22820 issue]. Similarly Standard Pay Scale (without cascading wef 1.1.2007) also needs impetus towards its resolution. As a matter of fact, all these issues were in your dashboard of promises to be settled within time frame and now when these Executives have entrusted you the responsibility of First recognized Majority association, you should respect the mandate and make sure to keep all promises within the time frame.

This association assures full cooperation for the settlement of all these pending issues of Executive Fraternity. Wish you all the best for the future endeavors.

With Warm Regards,

Sincerely Yours,

-Sd/
