Respected Sir,

On behalf of AITEEA UP (East) Circle, we welcome your esteemed presence in this historical city of Lucknow. We congratulate you for breaking stalemate and issuing long pending JTO to SDE promotion order. Sir, you have infused confidence in executives that management is seriously looking after their long pending HR issues and they need not worry about their issues.

We would like to draw your kind attention towards one long pending **Pay loss issue of Pre-Revised E1A (9850-14600) recruited DR JTOs of 2007 & 2008 batches and JTO to SDE promotion to left out DR JTO 2008 batch.** This association has earnestly and diligently represented these issues on regular basis on all the available platforms.

After the formation of a committee for Pay loss issue (vide letter placed under reference) regarding resolution of **Pay loss issue of executives recruited in E1A scale (issue of Rs. 22820/- as initial basic pay)**, AITEEA had given its input on dated 22.07.2021, which is attached herewith for your kind reference.

As per the said letter, the Committee was supposed to give its recommendations by 31.07.2021. Unfortunately, there are no such recommendations submitted by the committee till date. So, it is requested to personally intervene and look into the matter sympathetically and give justice to the aggrieved DR JTOs of 2007 & 2008 batches.

With Due Regards.

Yours Sincerely'
